Steady As You Go® Exercise Programme

Age Concern Auckland is delighted to continue to provide and expand the **Steady As You Go®** exercise programme across Auckland. This is a community based, weekly falls prevention exercise class and is an ACC approved Community Strength and Balance programme.

Following initial extensive instruction from Age Concern Auckland Health Promotion staff, each new class continues with support from volunteer peer leaders within the class, together with continued support and supervision from Age Concern Auckland.

Classes run for an hour in total at various community venues and all attendees are encouraged to work at their own pace. Participants begin with seated warm up exercises followed by standing balance exercises, strengthening exercises, walking balance exercises and end with seated balance and warm down exercises. The programme is usually free to attend.

Age Concern Otago developed **Steady As You Go®** in 2003 using elements from the Otago Exercise Programme, additional exercises designed by physiotherapists and Tai Chi principles of mindfulness and controlled movement. University of Otago research has found that **Steady As You Go®** improves balance and leg strength, flexibility, general fitness and wellbeing, spatial awareness and is a great way to meet new people!

To discuss your interest in attending this exercise programme, please contact: **Alana** on **09 553 9936** or email: alanam@ageconak.org.nz
